
Test QR :

1) A1

/16 2) This has no empty line in either the question or answer.

It works well.

/18 3) This **has** an empty line. You'd think it works. But error : It only shows the last part of answer, skipping anything before, and messes up the enumerate etc, even without the!

Test blocQR :

4) a – Aa

b – Ab

5) A5
